1 Overview

1.1 Introduction

Important!

Wolters Kluwer strongly recommends reading through the following release notes and installation instructions before proceeding.

Please review the following information for instructions on how to update your **Geocoding Data** license file. The current Geocoding Data license will expire on July 31st, 2021. All versions of this dataset, including the 2021-Q1 data set, are affected.

This license file--**geostan.lic**--is currently located where your institution's Geocoding Data is installed. Below is a link to the updated geostan license file, and the <u>Installation</u> section of this document provides procedures for where to place the file.
