1 Overview

The **2019 Mapping Data Update** allows users to incorporate mapping data into their CRA *Wiz* and Fair Lending *Wiz* reporting and analysis.

2019 Map Data includes the following updates to **2019 MSA boundaries**:

- 116th Congressional Districts
- MSA 2019
- ZIP Codes

1.1 Data Source

US Census TIGER Data

1.2 Who should install?

Any client licensed for Mapping Data should install this update. To determine if you are licensed for Mapping Data, go to the **System Maintenance** screen and select **License and Access Management**.

1.3 Prerequisites

CRA *Wiz* and Fair Lending *Wiz* 7.4 or higher is required to install mapping data. To check your CRA *Wiz* and Fair Lending *Wiz* version, go to the program menu bar and select **Help > About CRA *Wiz***. Build numbers starting with “74” are acceptable.

1.4 Required permissions

This update is installed as a single database, so both Windows read/write permissions and SQL Server database creation permissions are required. Wolters Kluwer recommends that the user running the install has **Windows administrator login credentials**.

1.5 Required free space

Region	Required space (in gigabytes)
Western	1.2GB
Southeast	4.3GB
Southwest	2.5GB
Northeast	2.1GB
Midwest	1.7GB
Central	2.5GB
U.S.	17GB

1.6 Approximate install time

Region	Approx. Install Time
Western	3.5 minutes
Southeast	3.5 minutes
Southwest	3.5 minutes
Northeast	2.5 minutes
Midwest	2 minutes
Central	3 minutes
U.S.	35 minutes

1.7 Confirming installation

Once the installation is complete, you can verify the installation by confirming that the **WKFS.MWS** file in the **Mapping Data directory** has a **modified date** of **11/22/2019**:

Name	Date modified	Type	Size
 WKFS.mws	11/22/2019 3:44 PM	MWS File	338 KB

Note: The CRA *Wiz* and Fair Lending *Wiz* build number (as found in **Help > About CRA Wiz**) is **not** updated by the 2019 Mapping Data installer.

2 Installation Instructions

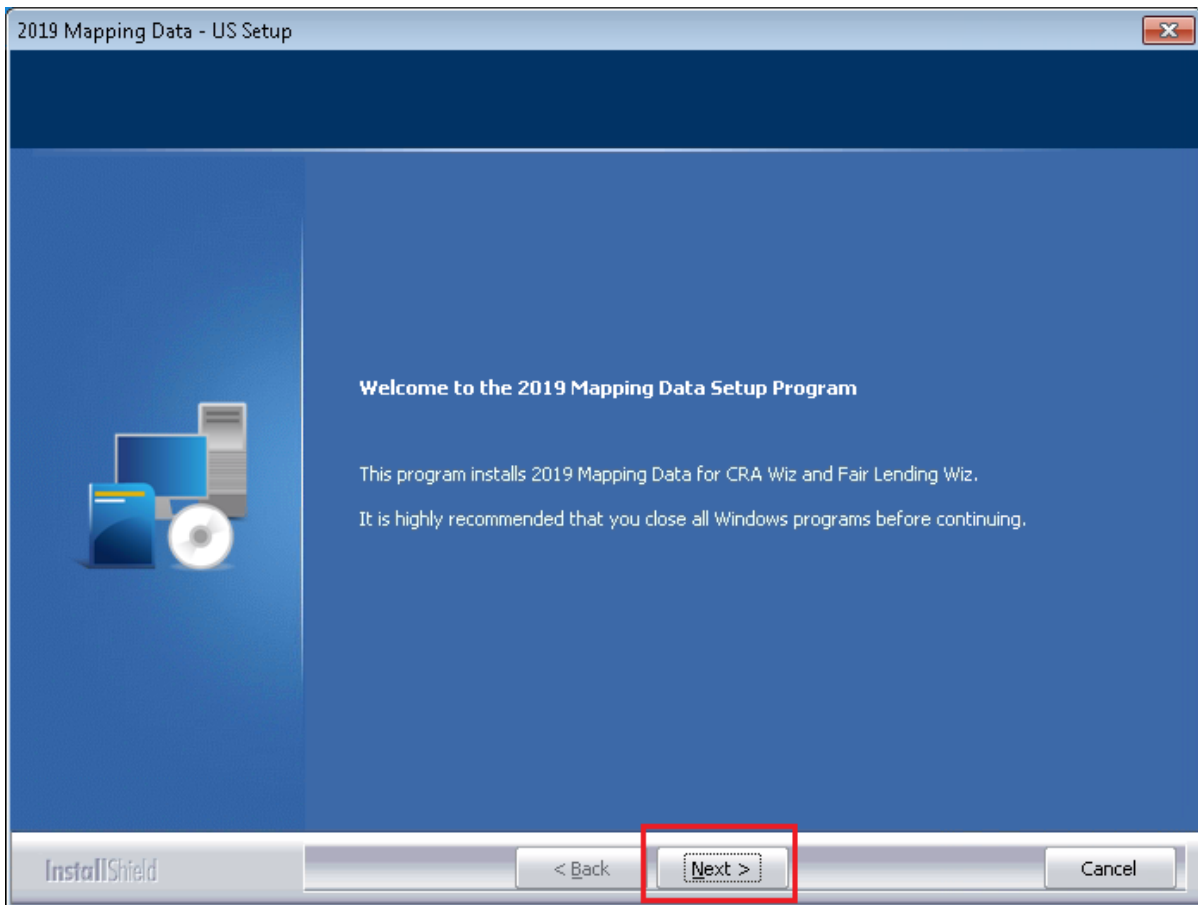

To install **2019 Mapping Data**, follow these steps:

1. Download the installer package.
2. Extract the contents of the compressed download file.
3. Double-click the **Setup.exe** file.

The installer displays the **Welcome** screen.
Follow the procedures for each of the following screens.

2.1 Welcome Screen

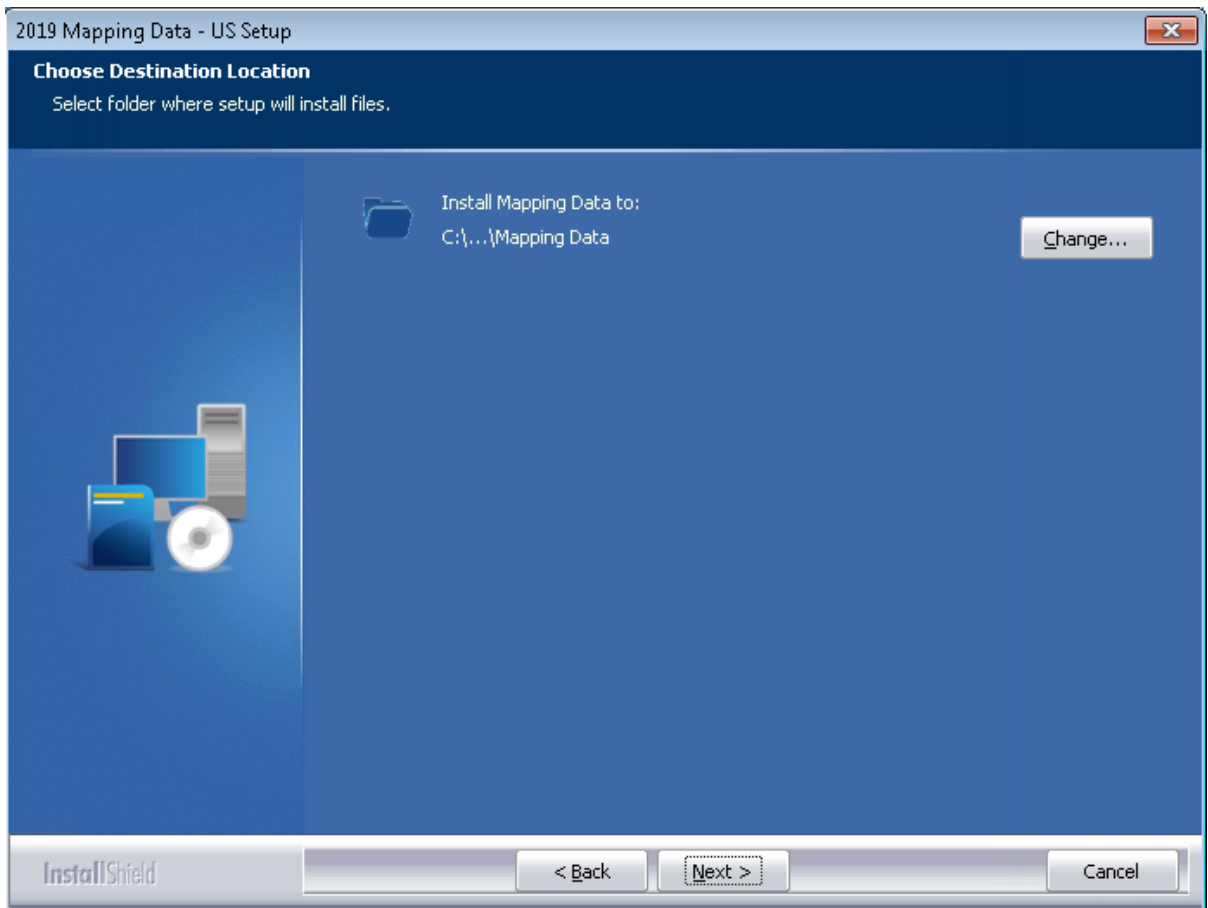

Click the **Next** button:

The software displays the **Choose Destination Location** screen.

2.2 Choose Destination Location Screen

You use the **Choose Destination Location** screen to select the location (local or network) where you want to install mapping data:

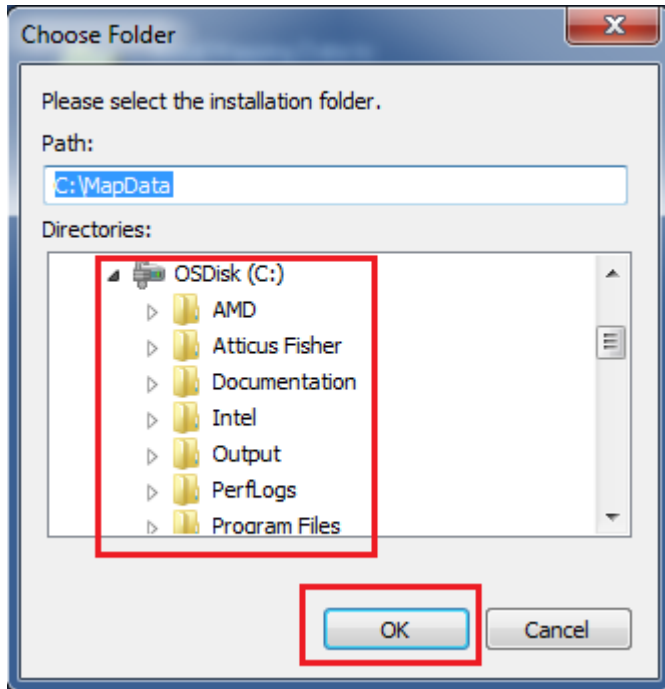

To select an installation location, follow these steps:

1. Do one of the following:
 - Click the **Next** button to install the map data to the default directory.
 - If you want to install the mapping data to a location other than the default directory, follow these steps:
 - a. Click the **Change** button:

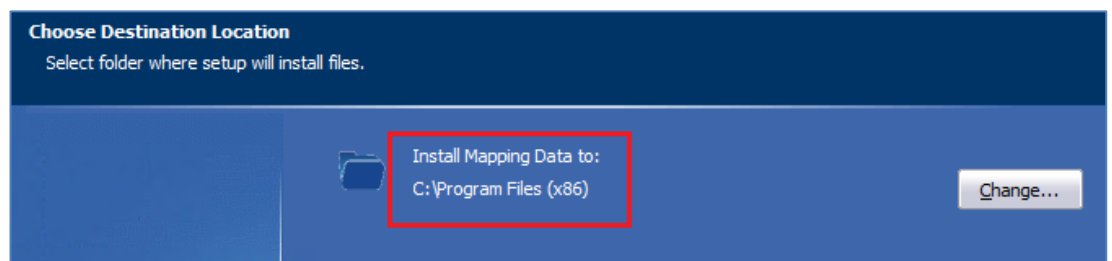

The installer displays the **Choose Folder** dialog box:

- b. Use **Path:** field or the **Drives** drop-down list box to select an alternate installation location.
- c. Click the **OK** button.
The installer makes the **Choose Data Destination** screen the active screen.

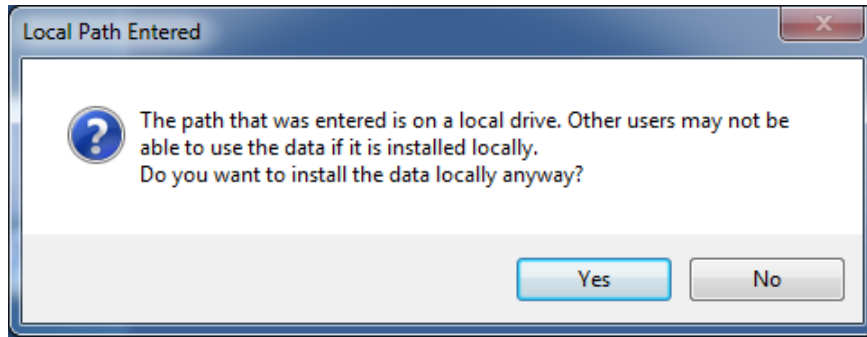

Note: The software displays the new file path in the display area noted below:

2. Click the **Next** button.

Important:

If you selected a local destination to install mapping data, the installer displays the following message:

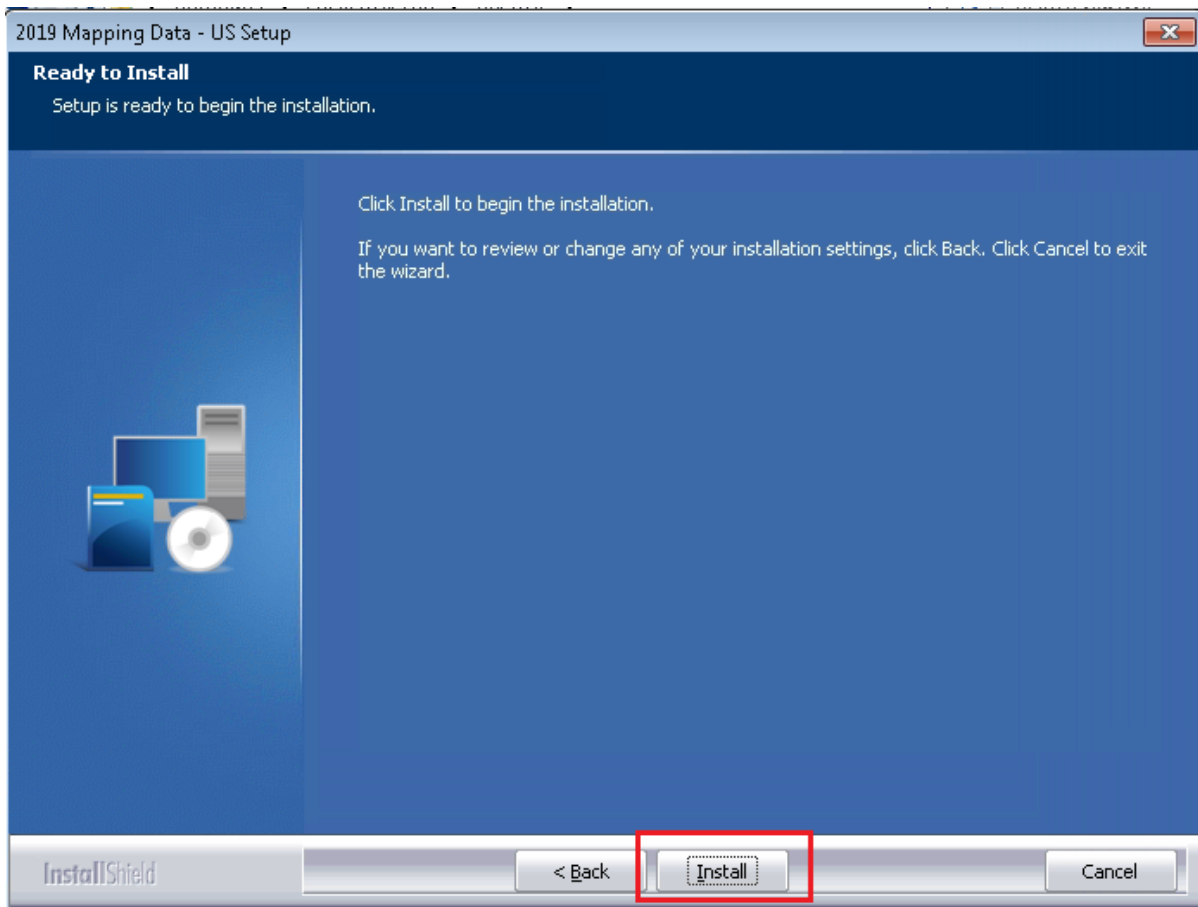

Do one of the following:

- If you intended to install mapping data locally, click the **Yes** button.
- If you wanted to install mapping data to a networked location, click the **No** button and then repeat **Steps 1, a., b., and c.**
- If you do not know the correct file path for your Mapping Data, please contact **Wolters Kluwer Technical Support** at **(800-261-3111, Option 1)** or CRAWizSupport@wolterskluwer.com, and they will assist in determining the correct Mapping Data path.

The software displays the **Ready to Install** screen.

2.3 Ready to Install Screen

To begin installing the data sets, click the **Install** button:

The installer displays the **Setup Status** screen.

2.4 Setup Status Screen

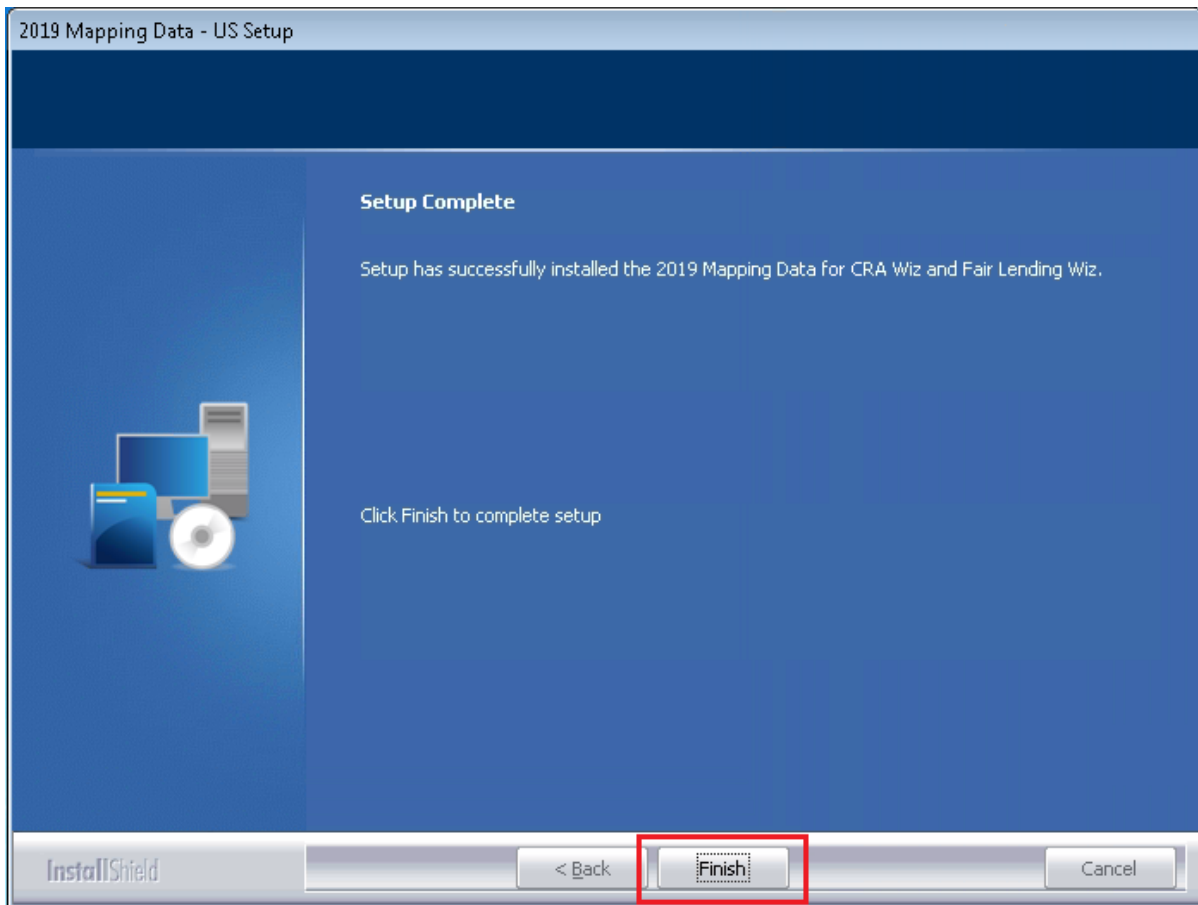

The **Setup Status** screen displays a progress bar that reports the progress of the installation:

When installation is complete, the installer displays the **Setup Complete** screen.

2.5 Setup Complete Screen

Click the **Finish** button:

Installation is complete.

3 Note about Data Installed in Client/Server Environment

If you have installed Mapping Data in a Client/Server environment, Wolters Kluwer recommends reverting the Mapping Data path back to a **share folder** (i.e, from the drive letters that the installer uses), using the **Data and Application Mapping** section of the *CRA Wiz* and *Fair Lending Wiz System Maintenance* screen (as seen below).

Before:

Data and Application Mapping		User Management	License and Access Management
Data and Application Mapping			
Wiz Data and Application Mapping			
CRA Wiz Element	Location		
Geocoding Data - 2000			
Geocoding Data - 2010	E:\Geocoding Data - 2010		
Mapping Data	E:\Mapping Data\tract.tab		

After:

Data and Application Mapping		User Management	License and Access Management
Data and Application Mapping			
Wiz Data and Application Mapping			
CRA Wiz Element	Location		
Geocoding Data - 2000			
Geocoding Data - 2010	\\MA10WS507871\Geocoding Data - 2010		
Mapping Data	\\MA10WS507871\Mapping Data\tract.tab		

Important: Please note that if you do not have access to *CRA Wiz* and *Fair Lending Wiz* you can update the mapping data path by modifying the **Mapping Data** path in the **dbo.ElementLocations** table located in the **Objectstore** database:

MA10WS507871\S...ementLocations	
ElementName	Location
Database File Location on Server	C:\Program Files\Wolters Kluwer Financial Services\CRA Wiz and Fair Lending Wiz\Data
Geocoding Data - 2000	
Geocoding Data - 2010	E:\Geocoding Data - 2010
Log File Location on Server	C:\Program Files\Wolters Kluwer Financial Services\CRA Wiz and Fair Lending Wiz\Logs
Mapping Data	E:\Mapping Data\tract.tab
